 The world teaches us to revolve our actions, thoughts, and beliefs around ourselves. "It's all about you!" we are encouraged to think. In the world's philosophy, we become the author and hero of our story. But the Bible teaches a different view, one where another hero—the actual Author of life—takes center stage. In the book of Job, God asserts his preeminence and displays his power. Join Francis Chan in this eight-session series on Job as he explores the overriding truth that we exist not for ourselves but to glorify the God who deserves all worship and praise.

We would like to recognize our graduates in the May Encourager. If you know someone graduating from college, please let us know.

We need your help for the Women’s Event! Here’s how:

Cookies - We need lots of them for the reception after the event. You can bring them any time between now and April 22 and put them in the freezer. Please label them for this event.

Childcare (looking at you, dads!) - We need men and high-school age kids to help with childcare for this event so our Women are free to have their cup filled at the worship night.

Prep Team - Can't be there, but want to help anyway? We need people who are able to deliver invitation cards to churches and businesses in your communities (Not just Weatherford!). They are on the information desk in the lobby of the church, so stop by to pick up a stack to hand out!

Event Team - On the night of the event, we will need women who are willing to be greeters, make coffee, put out cookies, collect response cards, or to pray with those who need prayer at the end of the event. We will also need help tidying the church after the event to be ready for church the following day.

Prayer Team - Anyone can do this! Start now praying that God will move in a mighty way during this event!

Share on Facebook - Go to the event page on facebook and share, share, share! Let's get the word out as much as possible!
